

Marvelous Light

Charlie Hall

Verse 1:

G C
I once was fatherless, a stranger with no hope
G C
Your kindness wakened me, wakened me from my sleep
G C
Your love it beckons deeply, a call to come and die
G C
By grace now I will come and take this life, take Your life

PreChorus:

Em D C
Sin has lost its power, death has lost its sting
Em D C
From the grave You've risen victoriously!

Chorus:

G
Into marvelous light I'm running
C Em
out of darkness, out of shame, by the cross
D C
You are the truth, You are the life, You are the way

Verse 2:

G C
My dead heart now is beating, my deepest stains now clean
G C
Your breath fills up my lungs, now I'm free, now I'm free

Bridge:

G C
Lift my hands and spin around, see the light that I have found
Em D C
O the marvelous light, marvelous light
